PART ONE: BEFORE YOU ENTER "THE MINE"

Before entering the main exhibition, look around the hall. You will see something looking like a giant honeycomb with information on creatures from Silesian folklore. In a video about Silesian witches, what gets smashed into pieces?

Take the **FIRST LETTER** of this word.

In the honeycomb, find a section about Silesian water demons. Watch the video.

What does the creature smoke?

Take the **LAST LETTER** of this thing.

On the white wall, find the game about Silesian dialect.

Can you see a small icon with a flowerpot at the top of the screen? Choose this game. Do the game. As a result, you will get a picture.

How many people can you see?

Take the **THIRD LETTER** of this number.

Enter the area with religious art. Look for an armless baby.

What does the baby's mother have under her foot?

Take the **FIRST LETTER** of this creature's name.

PART TWO: ENTER THE "KATOWICE MINE"

To begin with, you will see miners leaving the mine after a day's work. Opposite there are hats which are part of the miners' festive uniforms.

What colour are the feathers on the mine director's hat?

Take the **SECOND LETTER** of this colour.

Move towards the library. Where does the name SILESIA (ŚLĄSK) come from? Maybe it comes from the name of one mountain. Which one?

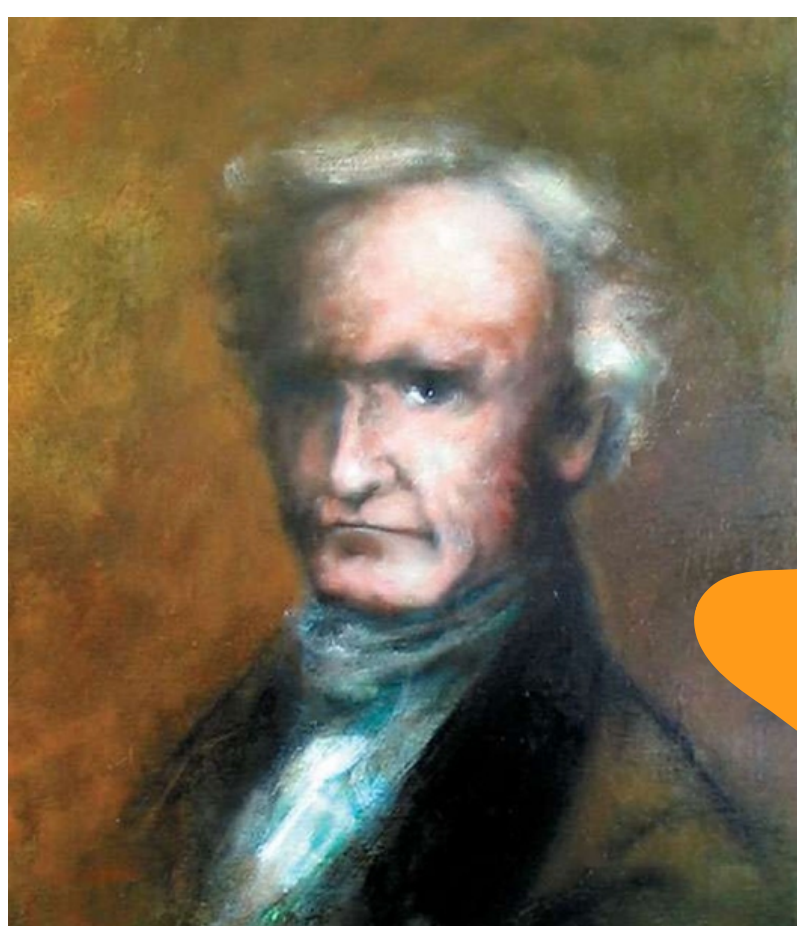

Take the **LAST LETTER** of its name.

Now enter the zone dedicated to the development of industry in Silesia. In those days, clever and resourceful people could quickly become rich.

One Silesian entrepreneur is known for making "the American dream" come true and quickly getting "from rags to riches".

What was his name?

Take the **FIFTH LETTER** of his surname.

PART THREE: THE WARS AND IN BETWEEN

Find the gallery of colourful World War I photos. You will see a soldier playing some musical instrument.

What is it called?

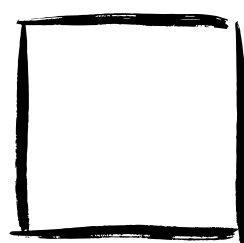

Take the **FOURTH LETTER** of its name.

In the World War II zone, find information about the special "list" used to classify the people on Nazi-occupied territories.

What was this "list" called?

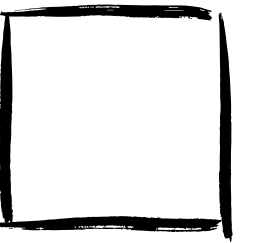

Take the **FIRST LETTER** of its name.

Take a leaflet presenting a popular hobby of Silesian miners. This hobby was connected with some particular birds.

Which ones?

Take the **LAST LETTER** of the Polish name of these birds (plural form).

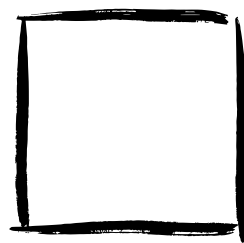

PART FOUR: THE COMMUNIST ERA

Check a communist-style living room.

What board game can you see on a table near the sofa?

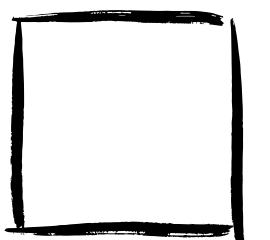

Take the **LAST LETTER** of its name.

In a communist-style bedroom, you can see pieces of equipment to do some sport.

What sport is this?

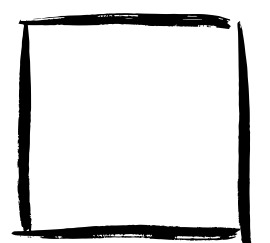

Take the **FOURTH LETTER** of its name.

In 1981, when people in Poland were fighting against the communist regime, nine miners were killed by the government forces in one of Katowice mines.

What was the name of the mine?

Take the **SECOND LETTER** of its name.

**NOW, LEAVE THE "MINE"
AND GET YOUR ANSWERS READY!**

EXTRA QUESTIONS AND TASKS:

Show us a photo of your group in a street cafe, together with some 19th-century inhabitants.

How many dogs are there in a moving photograph of a large Silesian family?

For 3,5 years in the 1950s, Katowice had a different, rather terrible name. What was this name?

What did people use to smuggle abroad in the sides and doors of their tiny Polski Fiat 126p cars?

Show us a photo of your group among miners who are on strike in the 1980s.
